INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of The Global Orphan Project, Inc.

We have audited the accompanying consolidated financial statements of The Global Orphan Project, Inc. (the Organization) (a nonprofit organization) and subsidiary, which comprise the consolidated statement of financial position as of December 31, 2013, and the related consolidated statement of activities and changes in net assets, consolidated statement of functional expenses and consolidated statement of cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Global Orphan Project, Inc. and subsidiary as of December 31, 2013, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Global Orphan Project, Inc. & Subsidiary Notes to Financial Statements December 31, 2013

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Basis of Presentation

The Global Orphan Project, Inc. (the Organization) was organized as a not-for-profit corporation in Missouri in 2003, and is recognized as a 501(c)(3) not-for-profit corporation. The mission of the organization is to provide food, shelter and aid for the fundamental needs of the oppressed and impoverished throughout the world through a global outreach. The Global Orphan Project also supports orphan prevention initiatives focusing on providing education for children and quality jobs for their parents.

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of The Global Orphan Project, Inc. are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to any donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed restrictions on their use that may be met by actions of The Global Orphan Project, Inc. or the passage of time.

Permanently restricted net assets – Net assets subject to donor-imposed or other legal restrictions requiring that the principal be maintained permanently. There were no permanently restricted net assets as of December 31, 2013.

Principles of Consolidation

The consolidated financial statements include the accounts of the Organization and its wholly owned subsidiary, GO Exchange, LLC, a for-profit company. All significant intercompany accounts and transactions have been eliminated upon consolidation.

Income Taxes

No provision is made for federal or state income taxes due to the Organization's tax-exempt status.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities in the financial statements. Estimates and assumptions may also affect disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses. Actual results could differ from management's estimates.

Depreciation

Property, plant and equipment are stated at cost, if purchased, or at fair value at the date of the gift, if donated, less accumulated depreciation. Depreciation and amortization for financial reporting is computed using the straight-line method over the estimated useful lives of the assets. The equipment has an estimated useful life of 5 years.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Inventory

Inventories, consisting principally of clothing, are stated at the lower of cost or market. Cost is determined by the average cost method.

Contributions

Contributions are recorded as revenue, at their fair value, when received, or promised unconditionally. Contributions received with donor restrictions that limit their use are reported as temporarily restricted revenue. When a donor restriction is met through the passage of time or fulfillment of a purpose restriction, temporarily restricted net assets are reclassified to unrestricted net assets.

Donated Materials and Services

The Organization records various types of in-kind support. Contributed in-kind support is recognized if professional services are received that (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, or (c) goods donated that can be used for the Organization's purpose. During the year, the Organization received donations of stock, automobile, advertising, and office rental space.

Subsequent Events

Subsequent events have been evaluated through July 31, 2014, which is the date the financial statements were available to be issued

Cash and Cash Equivalents

For purposes of the statement of cash flows, The Global Orphan Project, Inc. considers all cash and other highly liquid investments to be cash equivalents.

Pledges Receivable

Unconditional promises to give in future periods are recognized as support in the period the promises are received.

Management provides an allowance for unconditional promises to give, which is based upon a review of outstanding receivables, historical collection information and existing economic conditions. Management writes off receivables when it determines that a promise to give will not be collected.

Accounts Receivable

Accounts receivable are primarily derived from trips and merchandise sales. No allowance for doubtful accounts was deemed necessary at year-end.

NOTE 6: RELATED PARTY

The Organization receives in-kind office space valued at \$4,125 a month from a company owned by the founder of the Organization who is also a board member.

NOTE 7: TAX POSITION

As a tax-exempt organization under Internal Revenue Code (IRC) Section 501(c)(3), the Organization is required to file Form 990, Return of Organization Exempt from Income Tax, yearly. The information in this return is used by the IRS to substantiate the Organization's continuing tax-exempt status. The last three years of these returns are open to IRS examination. In addition, if the Organization has unrelated business income it is required to file a Form 990-T, Exempt Organization Business Income Tax Return and pay tax on any taxable income. It is the determination of management that this is not required for the year included in these financial statements.

NOTE 8: FAIR VALUE MEASUREMENTS

Finacial Accounting Starndards Board ASC 820, "Fair Value Measurements and Disclosures", defines fair value and establishes a consistent framework for measuring fair value for certain assets and liabilities. These provisions establish a fair value hierarchy that prioritizes the inputs used to measure fair value. An asset's or liability's classification within the fair value hierarchy is determined based on the lowest level input that is significant to the fair value measurement. This hierarchy prioritizes the inputs into three broad levels as follows:

Level 1	Quoted prices (unadjusted) in active markets for identical assets or liabilities
Level 2	Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
Level 3	Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Assets measured at fair value on a recurring basis at December 31, 2013, were as follows:

		-	Total 2013	Quoted Prices in Active Markets for Identical Assets		Significa Observal	nt Other ole Inputs	Unobs	ificant servable puts
			_		_evel 1	Le	vel 2	Le	vel 3
Equity securities		\$	402,918	\$	402,918	\$	-	\$	31
	Investments		402,918		402,918		1		71
	Total	\$	402,918	\$	402,918	\$		\$	

Investments

Equity securities are reported at fair value based on quoted market prices.

INDEPENDENT AUDITOR'S REPORT ON ADDITIONAL INFORMATION

To the Board of Trustees of The Global Orphan Project, Inc.

We have audited the consolidated financial statements of The Global Orphan Project, Inc. and subsidiary as of and for the year ended December 31, 2013, and have issued our report thereon dated July 31, 2014, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The schedule of contributors committed to funding management and general expenses is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.
